

Legislative Priorities & Policy Positions

Florida

Metropolitan Planning Organization Advisory Council

2018

Implements the recommendations from the MPOAC transportation revenue study and other options for expanding transportation revenue sources.

Regulates distracted driving as a primary offense by prohibiting the use of two-way electronic wireless communication devices and other similar distracting devices while operating a motor vehicle, except when the device is part of, or physically docked in, the motor vehicle.

Restores funding to 2007 levels for the Transportation Regional Incentive Program (TRIP).

Allows Strategic Intermodal System (SIS) funds to be used on roads and other transportation facilities not designated on the SIS if the improvement will enhance mobility or support freight transportation on the SIS.

Establishes flexible and predictable funding for transit projects (capital and operating) identified through the metropolitan transportation planning process by removing various funding limitations for the State Transportation Trust Fund (STTF).

Recognizes that federal metropolitan transportation planning funds shall not be regarded as state funds for purposes of expenditure.

PRIORITY POLICY POSITIONS

The MPOAC Supports State Legislation that:

1. Implements the recommendations from the MPOAC transportation revenue study and other options for expanding transportation revenue sources.

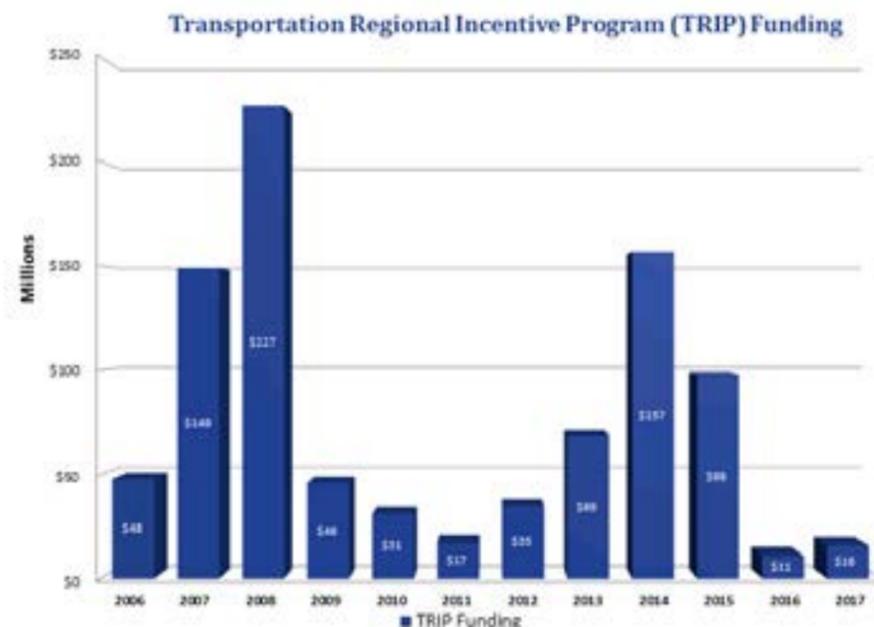

Key Recommendations:

- Expand the Charter County and Regional Transportation System Surtax to allow municipalities over 150,000 in population (or the largest municipality in a county) and all counties located in MPO areas to enact up to a one cent local option surtax by referendum.
- Index local option fuel taxes to the consumer price index in a manner similar to the current indexing of state fuel taxes.
- Identify potential revenue replacement sources for the current motor fuels tax which is no longer able to fully support the current or future needs of the transportation system.

2. Regulates distracted driving as a primary offense by prohibiting the use of two-way electronic wireless communication devices and other similar distracting devices while operating a motor vehicle, except when the device is part of, or physically docked in, the motor vehicle.

The 2013 Florida legislature enacted the "Florida Ban on Texting While Driving Law." The law prohibits operation of a moving motor vehicle while manually typing, sending or reading interpersonal communication (texting, e-mailing, instant messaging, etc.) using a wireless communications device, with certain exceptions. The law provides for enforcement of the ban as a secondary offense, meaning a driver would have to be pulled over for some other violation to get a ticket for violating the ban on texting. The 2014, 2015, 2016 and 2017 Florida Legislatures underscored the severity of distracted driving by considering bills that would have substantially increased the penalty for distracted driving. This legislative proposal would seek to strengthen the enforcement mechanism for the texting while driving ban by making it a primary offense.

3. Restores funding to 2007 levels for the Transportation Regional Incentive Program (TRIP). The TRIP leverages state documentary stamp tax proceeds to promote regional planning and project development by providing state matching funds for improvements to regionally significant transportation facilities identified and prioritized by regional partners. This proposal seeks to restore TRIP funding by reducing diversions of documentary stamp proceeds for non-transportation purposes.

MPOAC

The Florida Metropolitan Planning Organization Advisory Council (MPOAC) represents the collective interests of Florida's 27 MPOs, and assists the MPOs in carrying out the urbanized area transportation planning process by serving as the principal forum for collective policy discussion. The MPOAC was created by the Florida Legislature pursuant to Section 339.175, Florida Statutes, to augment and not supplant the role of the individual MPOs in the cooperative transportation planning process.

The organization is made up of a 27 member Governing Board consisting of local elected officials from each of the MPOs and a Staff Directors' Advisory Committee consisting of the staff directors from each of the MPOs. The MPOAC annually prepares legislative policy positions and develops initiatives to be advanced during Florida's legislative session. The MPOAC actively participates in the activities of the national Association of MPOs (AMPO) and the National Association of Regional Councils (NARC) in Washington DC and works with other stakeholder groups to help shape state and national policy regarding metropolitan transportation issues.

ADDITIONAL POLICY POSITIONS

The MPOAC Supports State Legislation that:

4. Allows Strategic Intermodal System (SIS) funds to be used on roads and other transportation facilities not designated on the SIS if the improvement will enhance mobility or support freight transportation on the SIS.

Current state law does not permit SIS funds to be spent on roads or other transportation facilities that are not part of the SIS, even if proposed improvements would directly benefit users of SIS facilities by enhancing mobility options or supporting freight movement in a SIS corridor. This legislative proposal would broaden the State's ability to improve passenger and freight mobility on SIS corridors by making eligible the expenditure of SIS funds on non SIS roads and other transportation facilities where the benefit to users of SIS facilities can be demonstrated.

5. Establishes flexible and predictable funding for transit projects (capital and operating) identified through the metropolitan transportation planning process by removing various funding limitations for the State Transportation Trust Fund (STTF).

Current state law limits the amount of funding that can be made available from the STTF for transit projects for both capital and operating expenses. These limitations, which are not in place for roadway funding, makes transit funding from the STTF less predictable for the purposes of planning and project implementation and artificially limits the ability of MPOs to implement priority transit projects. This proposal recognizes the critical role transit plays in moving people and goods within and between Florida's metropolitan areas by removing the distinction between transit and highway projects for the purpose of spending funds from the STTF.

6. Recognizes that federal metropolitan transportation planning funds shall not be regarded as state funds for purposes of expenditure.

The United States Department of Transportation (USDOT) provides funding to metropolitan planning organizations (MPOs) to carry out their federally required duties. Those federal funds are given to states who in turn distribute them to MPOs based upon a formula agreed upon by the Florida Department of Transportation (FDOT) and the Florida MPOs and then approved by the Federal Highway Administration (FHWA). The Florida Department of Financial Services (DFS) has determined that the expenditure of federal funds by MPOs shall be subject to all state requirements, laws and regulations even where such laws conflict with federal laws, regulations and requirements. This limits the ability of the Florida MPOs to use federal funds for their intended purpose and impinges on their ability to carry out their responsibilities as outlined in federal rule. This proposal would clarify that federal monies passed through the State of Florida to MPOs and the Florida MPO Advisory Council (MPOAC) shall not be regarded as state funds for purposes of expenditure.

Florida Metropolitan Planning Organization Advisory Council

GOVERNING BOARD

Mayor Susan Haynie, Chair
Palm Beach MPO

Commissioner Nick Maddox, Vice-Chair
Capital Region TPA

Commissioner Rodney Friend
Bay County TPO

Commissioner Nicholas Nicholson
Hernando/Citrus MPO

Commissioner Carl Zalak, III
Ocala/Marion County TPO

Councilmember Bryan Caletka
Broward MPO

Mr. Paul Anderson
Hillsborough County MPO

Councilmember Dick Rynearson
Okaloosa-Walton TPO

Commissioner James Herston
Charlotte County-Punta Gorda MPO

Mayor Bob McPartlan
Indian River County MPO

Mayor Camille Hernandez
Pasco County MPO

Councilmember Reg Buxton
Collier MPO

Mayor Pat Kelley
Lake-Sumter MPO

Mayor Pro-Tem Nat Birdsong
Polk TPO

Comissioner Rob Williamson
Florida-Alabama TPO

Councilmember Jim Burch
Lee County MPO

Councilmember Pat Patterson
River to Sea TPO

Councilmember Doreen Caudell
Forward Pinellas

Commissioner Troy McDonald
Martin MPO

Commissioner Willie Shaw
Sarasota/Manatee MPO

Commissioner Adrian Hayes-Santos
Gainesville MTPO

Commissioner Bob Dallari
MetroPlan Orlando

Mayor Kathy Meehan
Space Coast TPO

Commissioner Terry Burroughs
Heartland Regional TPO

Commissioner Bruno Barreiro
Miami-Dade TPO

Mayor Linda Hudson
St. Lucie TPO

Councilmember Doyle Carter
North Florida TPO

STAFF DIRECTORS' ADVISORY COMMITTEE

Peter Buchwald, Chair
St. Lucie TPO

Greg Stuart, Vice-Chair
Broward MPO

Mary Beth Washnock
Bay County TPO,

Dennis Dix
Hernando/Citrus MPO

Michael Daniels
Ocala/Marion County TPO

Greg Slay
Capital Region TPA

Beth Alden
Hillsborough County MPO

Dawn Schwartz
Okaloosa-Walton TPO

Bob Herrington
